Unarranged borrowing

Unpaid item fee

An unpaid item fee of £20 (subject to a maximum of £100 per month) will be payable if:

- you informally request an overdraft by issuing instructions for a withdrawal or other payment; and
- the payment cannot be met from the funds in your account or any unused arranged overdraft; and
- we decide in our discretion not to make the payment. The fees are charged on the day we decide not to make the payment.

Paid referral fee

A paid referral fee of £20 will be payable if:

- you informally request an overdraft by issuing instructions for a withdrawal or other payment; and
- the payment cannot be met from the funds in your account or any unused arranged overdraft; and
- we decide in our discretion to make the payment so that an unarranged overdraft is created or increased. We only charge one paid referral fee per day, even if more than one item is paid from your account on that day. The total fee for a calendar month, capped at £100 per month, will be debited to your account on the sixth business day of the month after the month in which the transactions took place. The paid referral fee is payable in addition to interest.
